

# Finn Valley College PE Uniform Policy

FVC requires that all students take responsibility for being prepared and organised for PE classes. This means that students must wear appropriate clothing and footwear to PE classes.

## PE Dress Code

- Suitable runners and socks. No flat shoes, eg. Converse, Vans will be permitted.
- Shorts, tracksuit bottoms or appropriate leggings,
- T-shirt.
- Sweatshirt or tracksuit top.
- All weather coat
- No offensive T-shirts, jewellery, or crop tops allowed.
- Hair must be tied back

FVC has introduced the **option** of a new school PE uniform, this uniform may be worn by students all day on the days students are timetabled for PE. The PE uniform can be purchased from the following link [www.oreillysofficial.com](http://www.oreillysofficial.com)

Finn Valley College has specific guidelines regarding the wearing of the new PE uniform.

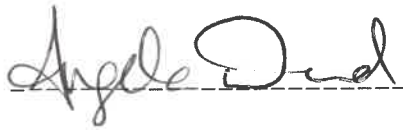

Students are permitted to wear the FULL School PE uniform on their designated PE days **only**. Students who do not have the full school PE uniform on scheduled days must present instead in full school uniform and will be required to change into alternative PE gear (as described above) in the designated changing rooms.

Students are permitted to wear the optional FULL PE uniform when directed by a teacher during a school-organised excursion or an extracurricular event. If a teacher does not provide this instruction, students must adhere to the standard dress code and change into appropriate clothing in the designated changing rooms.

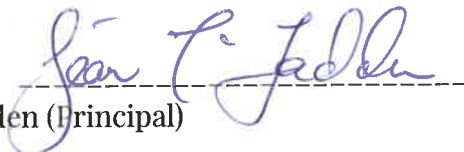

Check with your teacher or school guidelines for any updates or specific instructions regarding attire for particular activities.

A reminder that the PE uniform is an **option** to students to maximise teaching and learning time in PE and to promote participation and engagement in physical education.
