

# Cycle Against Suicide is coming to Derry

On Wednesday, 7th May 2014,  
the 2014 Cycle Against Suicide  
will stop overnight in Derry.

We are looking for **Homestay providers**  
to put up our cyclists and volunteers  
for the evening.

If you can host one or more of our team  
for the night, please let us know  
by emailing [info@cycleagainstsucide.com](mailto:info@cycleagainstsucide.com).

For more information on the Homestay experience  
or to register for the Cycle, log on to  
[www.cycleagainstsucide.com](http://www.cycleagainstsucide.com).

**It's OK not to feel OK  
and it's absolutely OK to ask for help**
