

Representations by Caroline ...near and far...

Caroline Dormion, teacher of French in Finn Valley College and Mulroy College is the chairperson of the French Teachers' Association - Donegal branch and member of the national executive of the French Teachers Association of Ireland (FTA). She was appointed delegate to the Western European Commission of the World French Teachers Association (*Commission de l'Europe de l'Ouest - Fédération Internationale des Professeurs de Français*) at the last general assembly of the national executive. The Western European Commission of the World French Teachers Association meets twice a year: once in spring and once in autumn in one of the member countries. The last meeting of the Commission was organised by the Maltese French Teachers' Association on the 3rd and 4th of November 2014 in Malta. 11 member associations were represented; among them: Belgium, Spain, Austria, Turkey, Greece, Iceland, Italy, The Netherlands and Cyprus. Caroline represented the French Teachers of Ireland. The commission discussed different ongoing projects and competitions. On Monday evening, the members of the Commission were invited to the Ambassador's residence for a reception. On Tuesday afternoon, several French teachers from the Maltese association joined in to take part in some training.

Caroline is seated on the right.
